Chartered in 1887, East Point, like many cities in the 1800's, sprang up around the American Railroad. Being the eastern most terminus of the Atlanta West Point Railroad, the 'East' township was affectionately called "East Point". The city contains 13.8 square miles, has approximately 43,000 residents and over 2,000 businesses. The City is governed by a Mayor and 8 Council members from 4 Wards. Day to day operations are overseen by a City Manager.
