EPMSA'S MISSION STATEMENT:

To preserve and enhance the downtown area as the heart of East Point, communicating a sense of place, community pride and heritage, while providing for a successful business and residential environment.

The East Point Main Street Association (EPMSA), in conjunction with the City of East Point Economic Development Department and Ethic, Inc., are happy to unveil the 2010 Downtown East Point Character Map! Like many cities, the map will be used as a promotional tool for Downtown East Point and will help build community pride for both the area businesses and residents.

The maps are available for \$15 each or two for \$25. The maps are printed on high quality gloss poster board. They are 18"x24" overall, and look great framed!

Businesses are encouraged to hang a framed map up in their place of business to help advertise the project. Likewise, residents are encouraged to frame them and hang them in their homes, offices at work or even give them to a neighbor as a holiday gift!

At the October 18th Council meeting, EPMSA presented a framed version to the City to be hung in City Hall for all to see!

This is truly, a great project showcasing the community. For more info about the map and how to purchase it, visit www.DowntownEastPoint.com

Downtown East Point

BUSINESS OF THE MONTH

Shack on Main BBQ

Located on East Point Street (across from the East Point Law Enforcement Center and just down the street from East Point City Hall), Shack on Main says they are committed to providing freshly prepared food at affordable prices!

"We chose East Point because of the location and that East Point strives to help businesses. It's also a good perk that the police department is right across the street from us," say the owners, Melvin and Cynthia Bradley.

Shack on Main was originally founded in 2006 by Leon King, Jr., brother of Cynthia Bradley. "It was our goal then, as it is now, to provide our patrons with excellent food prepared fresh daily. It is a place for families, business men and women, service men, etc. to come out and enjoy some great barbecue," says Bradley.

Shack on Main's Mission Statement: "We will provide high quality, freshly prepared food at affordable prices. Our patio setting provides patrons with a fun atmosphere for a casual and comfortable dining experience. Friendly, courteous and prompt service will be provided by a staff sensitive to a busy lunch time."

"We are known throughout the City for our Texas brisket, as well as, fall off the bone ribs," says Bradley.

Specials:

- **Friday Movie Series Special:** 3 Hot Dogs, Chips & Drink, \$7.50
- **Pulled Pork or Chicken or Tenders:** 1 side and drink, \$7.50 (\$6.50 w/chips instead)
- **Sausage or Hot Dog:** Chips & Drink, \$4.00
- **Seniors Receive \$1.00 off their meal all day Wednesday**
- **Fish Fry & Shrimp on Fridays**
- **Kids Eat Free** after 4pm on Thursdays w/ Adult Meal Purchase

Some Reviews of Shack on Main:

"This place rocks. Hands down some of the best BBQ I have ever eaten. They do an awesome job on the ribs, the pork and the chicken. The ribs are THE reason to go. The sides are good, but if you go to a BBQ place for the sides, well, you really don't eat BBQ." - Ben V. (Yelp)

"So while the location is a shack, the food is awesome. They also have a wide variety of sauces, so it can go from sweet to spicy and anywhere in between. The Tangy is probably my favorite. I plan on getting them again for my next get together." - Terry F. (Yelp)
